

INDIANA CHAMBER OF THE YEAR AWARD

NOMINATIONS DUE BY MAY 1

About the Award

The Outstanding Chamber of the Year Award recognizes organizational excellence in chambers of commerce and provides a unique benchmarking opportunity to assess a chamber's strengths.

How to Apply

To nominate your Chamber for the Chamber of the Year Award, submit a video (max of 5 minutes) telling us why your team deserves this honor. Does it have to be a polished, expensive video? It can be but that is not necessary for recognition, so grab your smart phone and include your talented team to share about successes from this past year showcasing your chamber's leadership and innovation. Have fun with this as you tell your organization's story. The winning video will be shown at the Awards Luncheon during the Annual Conference. Preferred entry is a link to your video on YouTube or Vimeo that can easily be shared with the judging panel.

Support Documents

You may include links to up to (5) documents to share with judges that support your video nomination.

These support documents could include: strategic plan; financial documents; event publications; link to website; annual report; etc. Including links to support documents provides an additional way to tell your story but this step is not required for nomination.
